ABOUT US

SUNNY QUEEN - A TRUSTED BRAND FOR OVER 90 YEARS

- ✔ **Established by farming families, we are committed to provide delicious and nutritious food to millions of people. We use 100% Australian quality eggs, laid by healthy hens, which are well-cared for by our farmers, animal nutritionists, and vets to ensure they stay healthy, and continue to produce the finest quality fresh farm eggs.**
- ✔ **We are the leader in the provision of fresh eggs and have channelled this expertise into satisfying the food sector through a variety of high quality, convenient, cost-effective, innovative, tasty, and wholesome egg products.**

OUR FARMS AND FACILITIES

Sunny Queen farms can be found across Australia, from North Queensland to regional Victoria. While the landscapes may change, there's one thing that every Sunny Queen farms have in common, and that's meeting Australia's highest standards in egg farming.

Our delicious products are manufactured in one of our three facilities located around Brisbane.

One produces cooked products, frozen or chilled. The other two facilities manufacture our liquid egg products.

SUSTAINABILITY STRATEGIC PLAN

WORKING TOGETHER TO CREATE A SUNNIER TOMORROW

As a national leader in the egg industry, Sunny Queen is committed to play our role with our 2023-2030 strategy, by integrating sustainability into our day-to-day activities to reduce our impact on the planet while continuing to provide healthy and nutritious food to millions of people every day.

Sunny Queen Sustainability Strategy aligns with the United Nations Sustainable Development Goals and our pillars help to address five goals. These are the areas we see the greatest opportunity of impact to the future of our people, planet and communities:

SHELL EGG RANGE

CRACK INTO ANY RECIPE WITH OUR RANGE OF EGGS!

Our delicious fresh farm eggs come from healthy, well-cared for hens and loving farmers. We go above and beyond to ensure best farming practices are adhered to across all production systems.

ORGANIC

- ✓ Available in 12pks
- ✓ ACO certified
- ✓ Pesticides and herbicides free

FREE RANGE

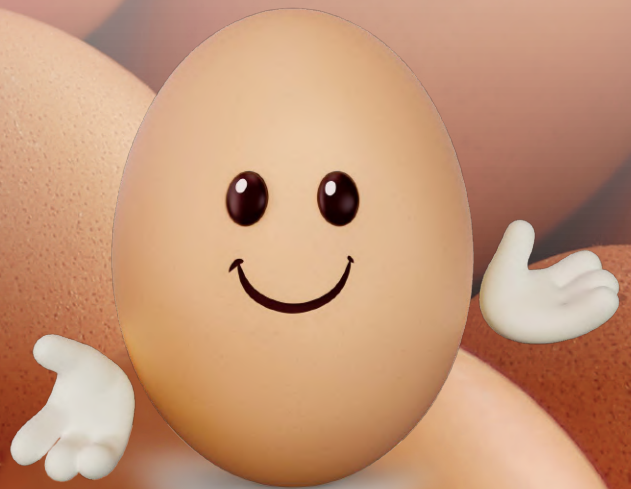

- ✓ The Australian National Free Range Standard specifies a maximum density of 10,000 hens per hectare, when outdoors—all our farms adhere to this standard.

CAGE FREE

- ✓ Housed inside large barns and they have fresh air and space for dust bathing.

LIQUID EGG PRODUCTS

GET CREATIVE WITH OUR LIQUID EGG RANGE!

- ✓ Our range of fully pasteurised liquid egg products is a time-saving way to cook with real eggs, minus the risk, hassle or wastage of handling them raw.
- ✓ Add our whole eggs to quiches, use our sugared egg yolks in your ice cream or try our albumen (egg white) in a pavlova. With a long shelf life and available in a range of sizes, you'll love getting creative with the Sunny Queen Liquid Egg Range.
