ABOUT US

SUNNY QUEEN - A TRUSTED BRAND FOR OVER 90 YEARS

- ✓ Established by farming families, we are committed to provide delicious and nutritious food to millions of people. We use 100% Aussie quality eggs, laid by healthy hens, which are well-cared for by our farmers, animal nutritionists, and vets to ensure they stay healthy, and continue to produce the finest quality fresh farm eggs.
- ✓ We are the leader in the provision of fresh eggs and have channelled this expertise into satisfying the food sector through a variety of high quality, convenient, cost-effective, innovative, tasty, and wholesome egg products.

OUR FARMS AND FACILITIES

Sunny Queen farms can be found across Australia, from North Queensland to regional Victoria. While the landscapes may change, there's one thing that every Sunny Queen farms have in common, and that's meeting Australia's highest standards in egg farming.

Our delicious products are manufactured in one of our three facilities. The one in Carole Park produces cooked products, frozen or chilled. The other two facilities, divisions of Sunny Queen, are situated in Pittsworth (Platinum Pulp) and outside of Toowoomba (Wellcamp). They both manufacture our liquid egg products.

SUSTAINABILITY STRATEGIC PLAN

WORKING TOGETHER TO CREATE A SUNNIER TOMORROW

As a national leader in the egg industry, Sunny Queen is committed to play our role with our 2023-2030 strategy, by integrating sustainability into our day-to-day activities to reduce our impact on the planet while continuing to provide healthy and nutritious food to millions of people every day.

Sunny Queen Sustainability Strategy aligns with the United Nations Sustainable Development Goals and our pillars help to address five goals. These are the areas we see the greatest opportunity of impact to the future of our people, planet and communities:

✓ CHEF APPROVED

SHELL EGGS

CRACK INTO ANY RECIPE WITH OUR RANGE OF EGGS!

Our delicious fresh farm eggs come from healthy, well-cared for hens and loving farmers. We go above and beyond to ensure best farming practices are adhered to across all production systems.

FREE RANGE

- ✓ The Australian National Free Range Standard specifies a maximum density of 10,000 hens per hectare, when outdoors—all our farms adhere to this standard.
- ✓ With room to roam outside during the day, our free range hens are free to explore.

ORGANIC

- All the benefits of Free Range plus:
- ✓ Our organic farms are certified by Independent Organic bodies.
 - ✓ Raised on land with organic feed at only 1500 hens per hectare.

CAGE FREE

- ✓ Our Cage Free hens are housed inside large barns and where possible have plenty of natural light, fresh air and space for dust bathing.
- ✓ There are plenty of perches to perch and socialise without the threat of outdoor predators or harsh weather.

CAGE

- ✓ Our Cage hens are housed in specially designed layer cages in a temperature controlled shed.
- ✓ All our Cage egg production meets the requirements of the most recent Model Code of Practice for the Welfare of Animals- Domestic Poultry.
