ABOUT US

SUNNY QUEEN - A TRUSTED AUSSIE BRAND FOR OVER 90 YEARS

- ✓ Owned by third generation Aussie farming families, we are committed to provide delicious and nutritious food to millions of people. We use 100% Aussie quality eggs laid by healthy hens which are well-cared for by our farmers, animal nutritionists and vets to ensure they stay healthy, and continue to produce the finest quality fresh farm eggs.
- ✓ We are the leader in the provision of fresh eggs and have channelled this expertise into satisfying the food sector through a variety of high quality, convenient, cost-effective, innovative, tasty, and wholesome egg products.

THE EGGSPERTS

Our R&D and culinary team includes food technologists, engineers and global food trend analysts who closely monitor flavour trends and new ways of improving performance and efficiencies.

This gives Sunny Queen the competitive advantage to deliver innovative food solutions that satisfy customers, increase productivity and boost growth with a wide variety of delicious, convenient and time-saving products.

LEADERS IN QUALITY MANAGEMENT

Every Sunny Queen Farm is independently audited and accredited by ESA (Egg Standards of Australia) for quality and animal welfare, so you can be sure you're using the finest quality eggs in Australia.

Our meal solution products are made with pasteurised eggs and are fully cooked and meet the stringent Sunny Queen quality standards. Our food safety management, along with our world class quality systems, ensures that Sunny Queen Foodservice offers the best quality products for our customers.

Our system has regular external and internal audits. Sunny Queen is currently certified for SQF, Export, Safe Food Queensland and other customer specific programs.

SHELL EGGS

CRACK INTO ANY RECIPE WITH OUR RANGE OF EGGS!

Our delicious fresh farm eggs come from healthy, well-cared for hens and loving Aussie family farmers. We go above and beyond to ensure best farming practices are adhered to across all production systems.

FREE RANGE

- ✓ The Australian National Free Range Standard limit specifies a stocking density of 10,000 hens or less per hectare, when outdoors- our Sunny Queen Farms are all 1,500 hens per hectare
- ✓ With room to roam outside during the day, our free range hens are free to explore

ORGANIC

- All the benefits of Free Range plus:
- ✓ Our organic farms are certified by the ACO (Australian Certified Organic)
 - ✓ Raised on organic land with organic feed at only 1,500 hens per hectare

CAGE FREE

- ✓ Our Cage Free hens are housed inside climate-controlled sheds that have plenty of natural light (where possible) and no exposure to the elements.
- ✓ They can roam around freely to perch, eat & drink and socialise without the threat of outdoor predators.

CAGE

- ✓ Our Cage hens are housed in specially designed layer cages in a temperature controlled shed
- ✓ All our Cage egg production meets the requirements of the most recent Model Code of Practice for the Welfare of Animals
